

We are honored to present the insights of a challenging HORIZON 2020 European networking project:

If you are interested in a successful approach and the lessons learned for your own projects within your organization and how to support those who are facing challenging situations:

Agenda of “TURN CHALLENGES INTO SUCCESS STORIES”:

1. Setting of the EU-project and why we integrated a unique team coaching approach
2. Methods and results of the team coaching approach
3. Different insights from participants
4. Recommendations
5. Q&A session
